**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please support companies like Sonic, who provide excellent, reasonably priced internet service. That is why I want competitive providers and NO price hikes for internet and telephone services. Broadband competition is essential for our economy. Small businesses like mine need low cost providers like Sonic to be able to operate as an independent broadband company.

Kind regards,

Sara Warner
